**“ MANUFACTURERS YOU
CAN RELY ON.
INFRASTRUCTURE YOU
CAN BUILD ON. ”**

At AxisCore Solutions Pvt Ltd, we're not just traders — we aren't middlemen — We manufacture, engineer, and deliver project-ready materials from our own production hubs.

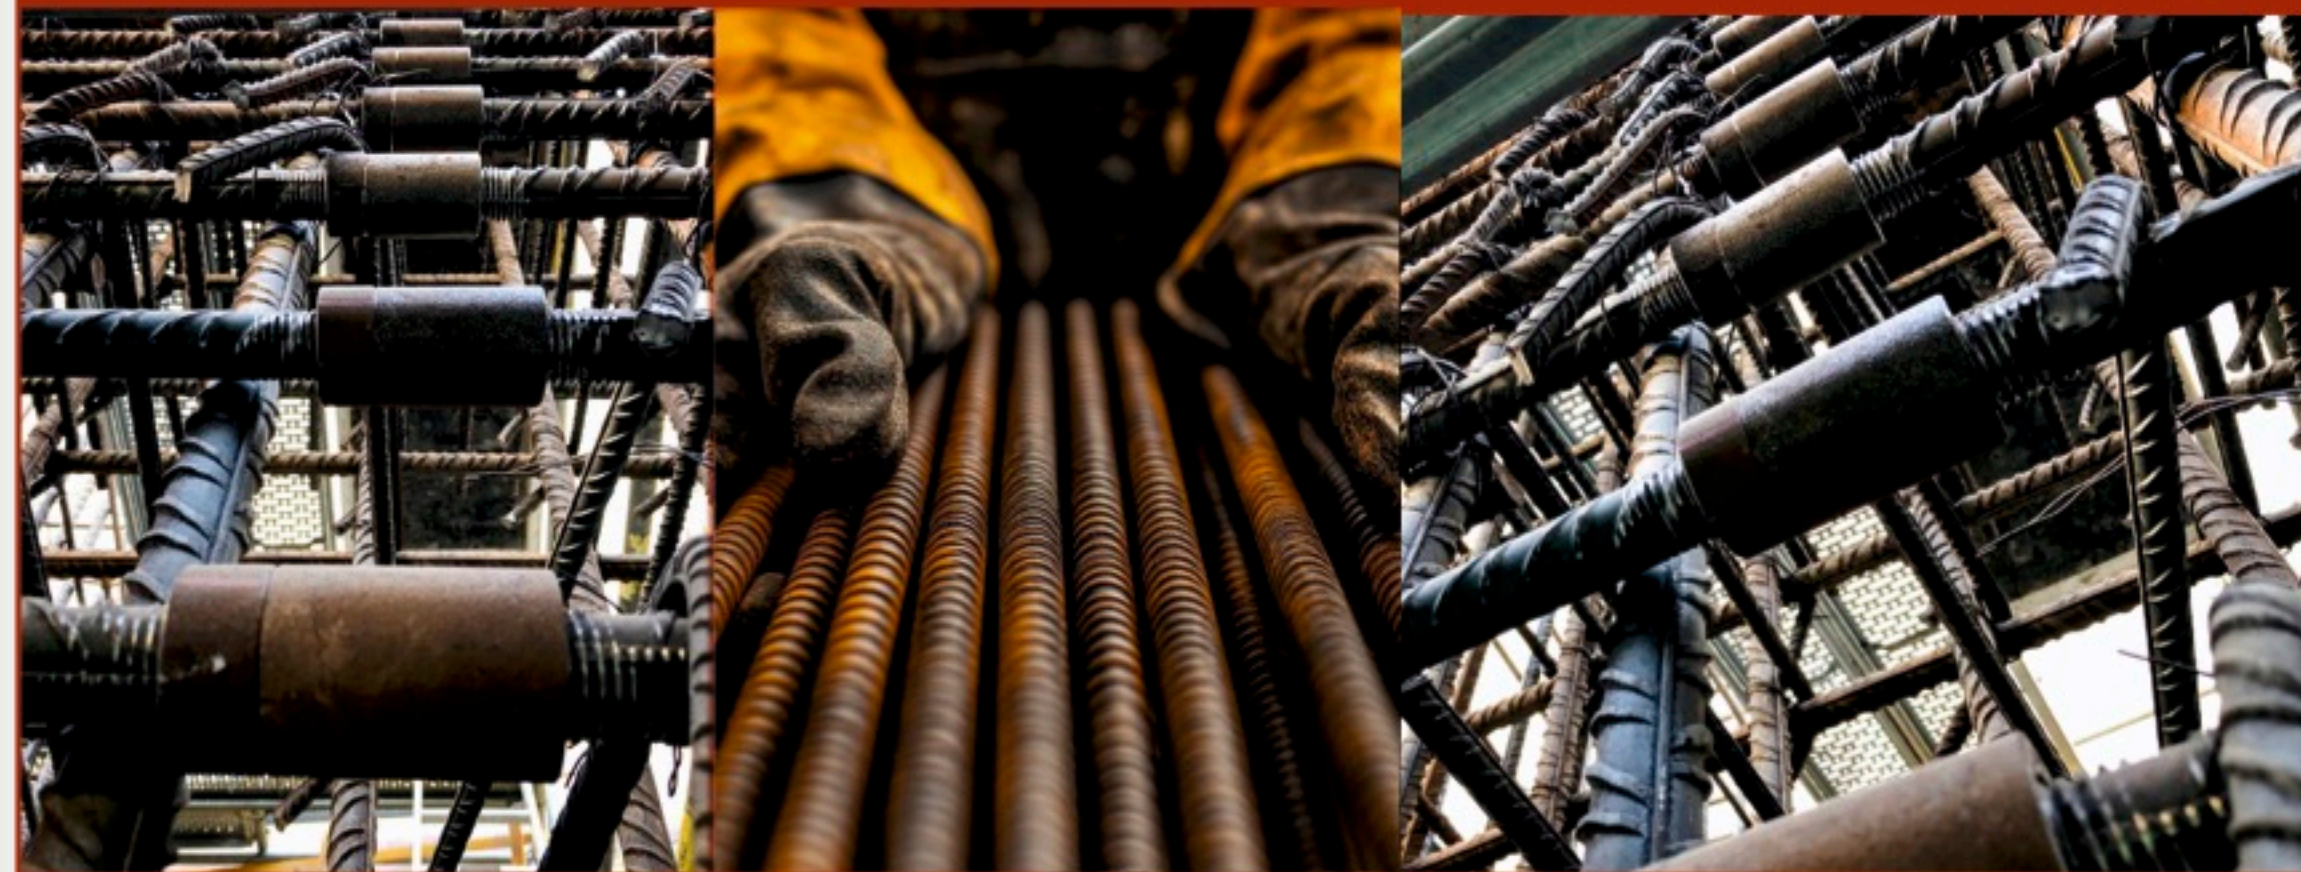

Our infrastructure covers:

- In-house granite & marble processing
- Rebar & coupler fabrication
- Solar kit assembly & EPC services
- Engineered wood finishing
- Power systems integration
- General contracting for turnkey projects

We serve Indian infrastructure developers, EPC contractors, and international importers who seek consistent supply, transparent processes, and competitive factory pricing.

OUR VERTICLES: BUILT IN-HOUSE, BUILT TO PERFORM.

1 Rebar & Coupler Fabrication: Threaded couplers, cut/bend rebars, and detailing.

2 Natural Stone Manufacturing: Polished granite, marble & custom-cut stones. Rajasthan-based processing unit.

3 Engineered Wood Products: Laminates, plywood, veneers - cut, finished, and packaged in bulk.

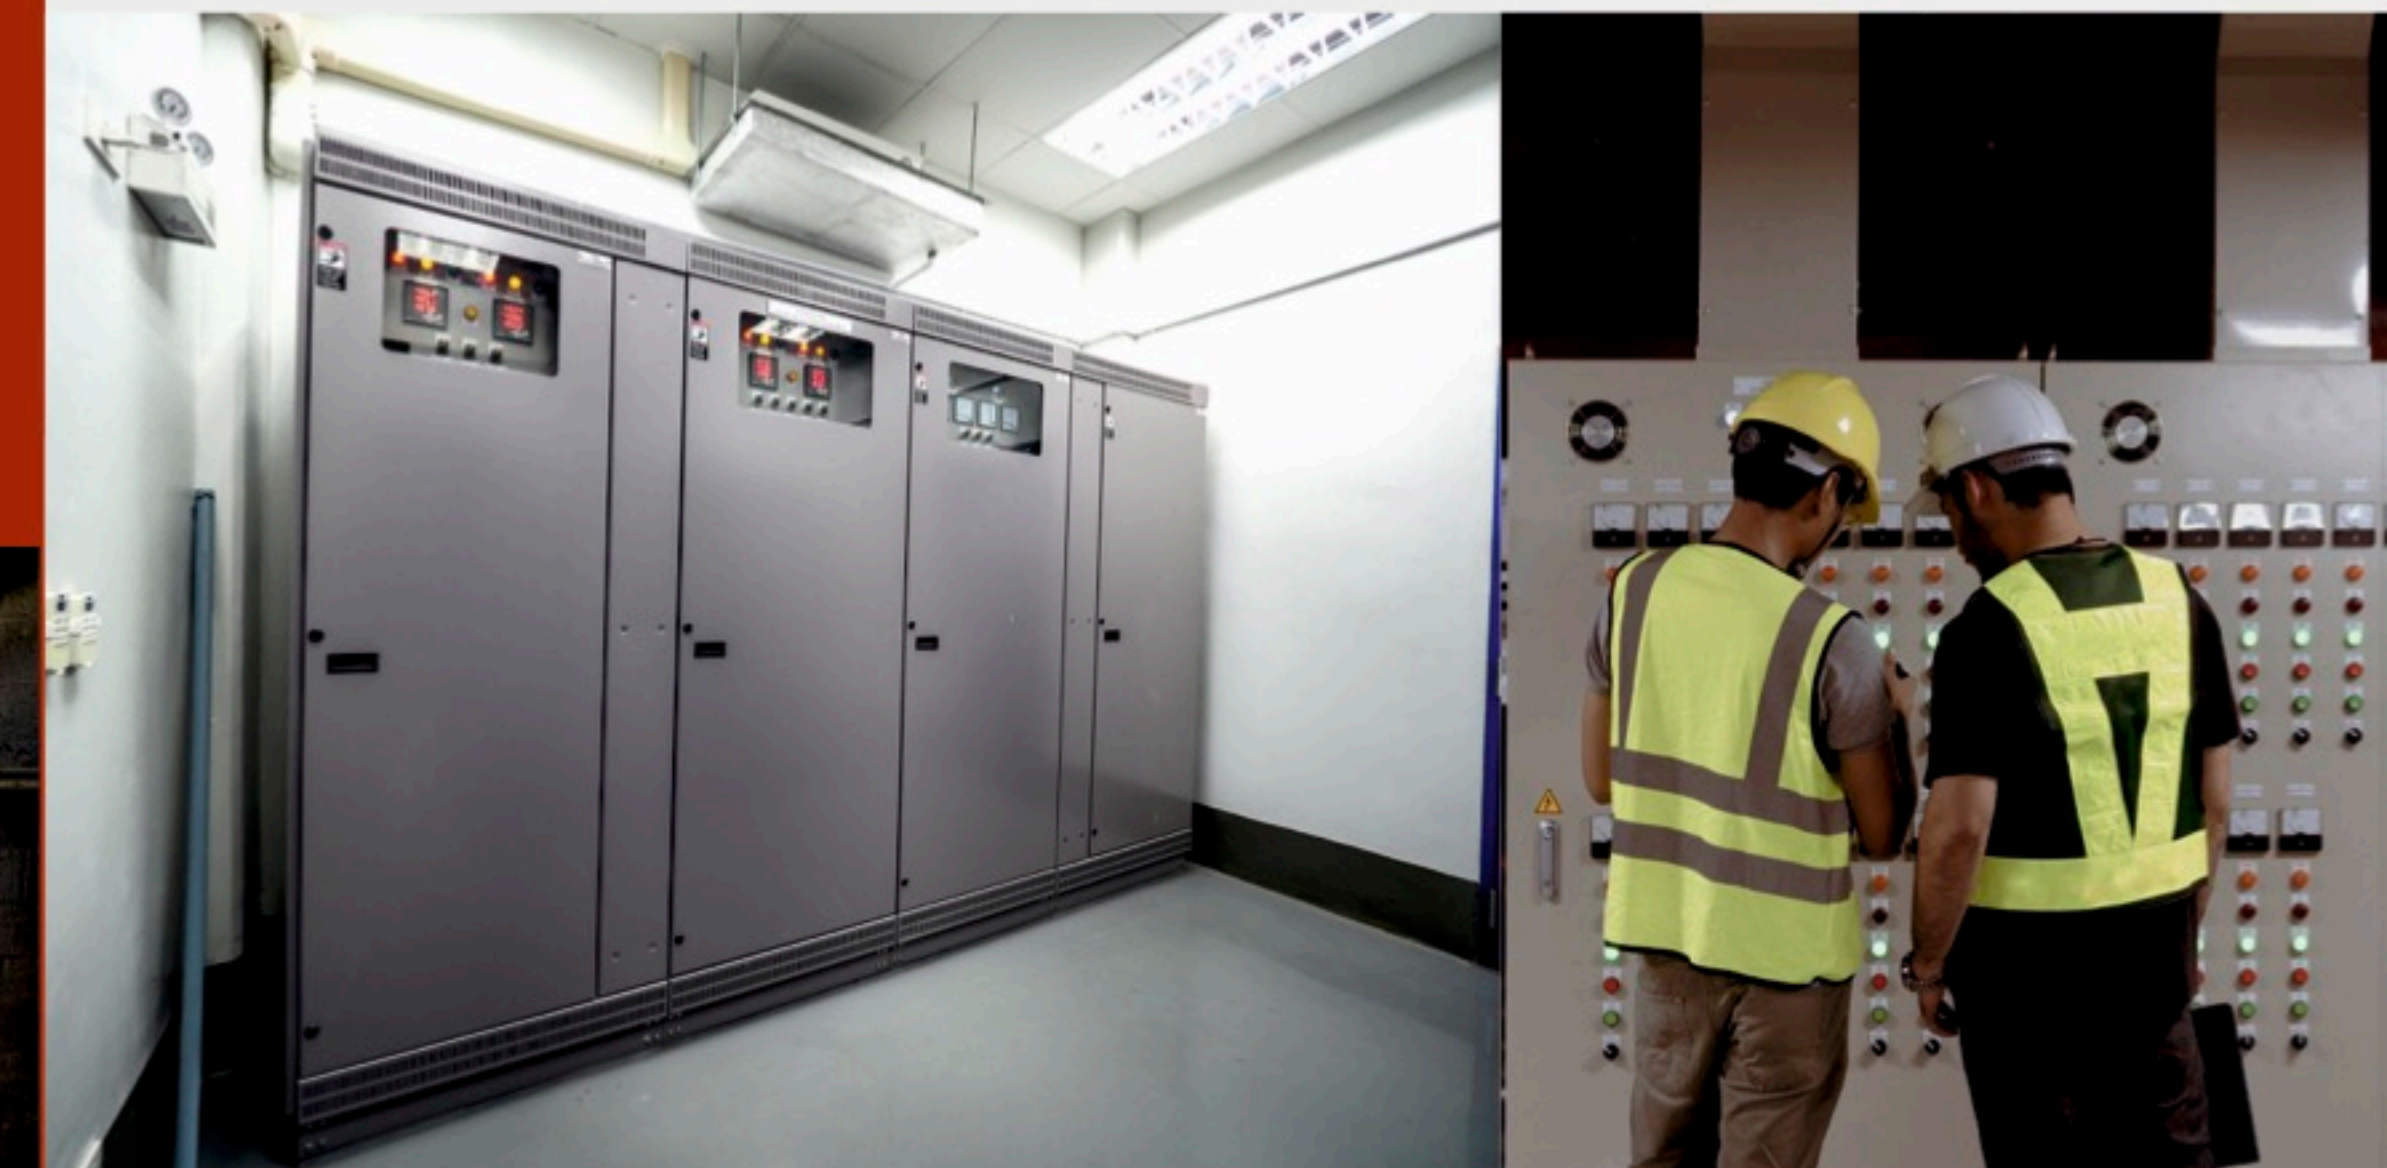

Solar Systems Assembly: Rooftop and industrial solar systems assembled and tested by our engineers.

4

5 Power Equipment Solutions: Sourced and integrated from vetted OEMs with testing on-site.

Turnkey Contracting: For select clients, we offer general contracting with integrated material supply.

6

**ACROSS BORDERS.
ACROSS INDUSTRIES.**
